Where do i ecen start from its so hard to express happines and love in mere words but yhur just socaring , understanding ,and kind and its just so much more than this i dont even know how you do it eveyringke time i see your heart , your effort and the love you guve in your own way ❤️and you dont have to be perfect to be loved by me i just want you to know that i am greatful for you and i appreciate you more than you know 🥺 thank you for always being here even when im not the best and so mean to you for no reason i apreciate you fir staying even when it feels likes its getting too much im happy to know that you care enough to always be heers and talk to me even where is nothing to talk about 🥺🥺

I love you for not only what you are but what i become when im with you

I hope that you too believ and know that i love you bery much even if i dist show it everyday it diesnt make my love for you any less i winder if i would be as happy as i am eith you right now there is just so much you add in my kife which yhu sont notice but it never gies unnoticed to me for me its the little things that matter but uou do more than the little things for me you do the most for me and its so cute dont ever think for one moment that ill stop [illegible] t think i will ever [illegible]

My meen meen ❤️🌍

This day is extra special because i get to be more thankful that i am with you and you are with me. I love how you are always there for me even in the littlest forms and you make me smile a lot like a lot .you make me forget everything, you always make me feel like im the only person you see . You always brighten my days and I only want you to experience more and more happiness and i hope to be to be there on every birhtday of yours

This day is extra special because I get to be more thankful that I am with you and you are with me. I love how you are always there even in the littlest form and you make me smile a lot , you make me forget everything. You tend to make me feel like I'm the only person you see. You brighten my day and I only want you to experience more and more happiness and I hope there on evey birtho

Happy Birthday My Love

You are the greatest gift in my life, my heart's deepest come true.

On your special day,
I want you to know
how incredibly loved you are.
You mean the world to me,
and I am so grateful for every
moment we share together.

I am so lucky to have you
as my boyfriend and my best friend.
May your birthday be filled
with all the love and happiness
you bring into my life.
I love you so much.
